Opportunities with Inspire

# Volunteering Opportunities

- [The STEM Ambassador Platform](#): the most up to date list of opportunities that are still looking for Ambassadors.
- [Priority activities](#): list of opportunities with no STEM Ambassador support (correct at time updated).
- **Reflect & Share:** Have you volunteered during British Science Week before? What did you do?  
Do you have plans to volunteer this year? Tell us about them.

# Training Opportunities

---

## Personal development opportunities:

- [#IAmRemarkable – 9:30 – 11:00, 18<sup>th</sup> March](#)
  - Learn about the importance of self-promotion and how it can empower everyone, including underrepresented groups, to celebrate their achievement in the workplace and beyond.
- [Bounce Back – 9:30 – 11:00, 30<sup>th</sup> April](#)
  - Improve resilience, look after your mental health and wellbeing, plus help generate a positive and supportive work environment.

# Training Opportunities

---

## Increasing the impact of your volunteering:

- Sustainability hands-on activity workshop
  - 14:30 – 16:30, 1<sup>st</sup> April
  - Develop a sustainability focused, hands-on activity you can use with students aged 7-11.
- Find out about: Secondary CREST Awards and Resources
  - 12:30 – 1pm, 27<sup>th</sup> March
  - Focusing on what CREST Awards are and the resources available for you to use.

# Activity ideas

- New resource added: [Astronomy storytelling guide and activity](#)

## THE SAGES OF CHELM: CHASING THE MOON

An activity for learners  
of eight years old and over

Devised by Alastair K Daniel

### STEM Ambassadors Schemes

A scheme is a way to link your STEM Ambassador profile to a particular area of interest or sector.

Once linked to a scheme, you may hear from your Delivery Partner or the scheme organiser about activities and events that align with the skills associated with the scheme. Some schemes also provide extra training sessions, resources and support to help with your volunteering.

Please follow the links next to each scheme to find out more before adding it to your profile.

You can join more than one scheme but we recommend you are selective about the ones you join so that you are getting relevant and tailored communications.

Full instructions on how to add a scheme to your profile can be found on the [STEM Ambassadors Training Hub](#).

# Resources

Inspiring young people in  
STEM through volunteering
